Subject: DOVE CREEK TRANSFER

It has been brought to my attention that the Forest Service must be recognized on the cd with Mountain America Credit Union. I have mailed the appropriate paperwork to Jared at the bank. He is required to sign the addendum to the cd letter agreement and Mr. Morris as well.

Please contact the credit union, Jared Johnstone, 325 6477, by Friday for status information. I am certain he would have received the documents by then.

We can't finalize the process until this important document is received back to this office. Please direct your immediate attention to this task.

Thank you,

Beth Ericksen
